DCI:

General Larry D. Welch, USAF, has invited you to be the guest speaker at the 544th Strategic Intelligence Wing's 1985 Dining-In at Offutt Air Force Base, Nebraska on Saturday evening, 26 October. The wing is celebrating its 35th anniversary and the theme is "The Evolution of Intelligence." Since the 544th is the principal intelligence production organization of Strategic Air Command (SAC), the audience will be made up entirely of military personnel. A Dining-In combines ceremony, tradition, and good fellowship in a formal military framework. If you accept this invitation and your schedule permits, you are also invited to tour Offutt's facilities.

Mr. McMahon spoke to the 544th in October, 1983. You may wish to defer the invitation to him, or to another senior officer.

George V. Lauder
